

## Annual Report on "CETL-2022, Spring, Summer and Fall Semester".

### 1. Ashar Alo Scholarship 2022 (1<sup>st</sup> January 2022)

To encourage the studious and brilliant students, CETL initiated a scholarship program with the generous assistance of a Japanese philanthropist. The scholarship, known as, "Ashar Alo" has been awarded since 2016 to the aspiring students of Green University of Bangladesh enabling them to continue their studies at GUB with ease. Each year, over 10 students receive this prestigious scholarship.

## A few words from our Ashar Alo Scholarship Awardees 2022

**Shahir MONJUR**

"Honored and grateful to be one of the Ashar Alo Scholarship winners. I strongly appreciate the Ashar Alo Committee's commitment to provide needy ambitious students with financial assistance. Thank you for your kind schooling support!"

**Monabeera Khatun NABILA**

"Thank you for the "Ashar Alo Scholarship". I really thank you everyone. After my parents died, I was lost and worried about completing my graduation. Now Ashar Alo has given me a chance to realize my aspirations. Now I can graduate and stand on my own two feet."

### 2. Get Going at GUB, Spring 2022 (5<sup>th</sup> February 2022)

CETL has arranged a workshop for the newly admitted students of all departments of GUB titled "Get Going at GUB" on Saturday, 5 February 2022 from 3:15pm to 5:00pm, as a virtual welcoming tour and introduction to university affairs from students' perspective. Dr. ASM Shihavuddin, Honourable Director of CETL, lead facilitators of CETL, Interns, and over 450 participants were present at the workshop. Freshers were introduced to virtual classrooms, platforms, useful softwares, and coached about various responsibilities such as how they can operate their all-important student portals, pay their tuition fees and how-to pre-register and register for a future course etc. in this workshop.

The workshop was divided into three segments, each carrying an agenda of its own. The first third of the workshop involved an introduction to the Co-curricular opportunities, the platforms of learning currently available at GUB both online and physically, and the potential scholarship opportunities for the brightest students. The following segment contained a demo of learning activities crucial for online academic procedures carried out at GUB.

The poster is for a workshop titled "GET GOING AT GUB" for "Spring '22". It features the logos of Green University of Bangladesh (GUB) and CETL at the top. The main title is in large red letters. Below the title, there are three sections: "Time & Date" with a calendar icon, a clock icon, and a Zoom icon; "Facilitators" with circular profile pictures and names; and a QR code. The background is yellow with decorative floral and bee illustrations. The website address www.cetl.green.edu.bd is at the bottom.

A virtual tour of the GUB websites, student portals, the CETL Hotline service where students can seek clarification for any of their doubts at any time, was given in the third and final chapter of the workshop.

At the end of the session, the participants reflected upon the effectiveness of the workshop via a post-test survey. Via the feedback form, around 47% of all targeted participants reported that they found this workshop very helpful by rating it 5 out of 5. Over 96%

freshers gave an overwhelmingly positive response to the session which makes the event successful.

### 3. Brightest Mind Scholars of Spring 2022 (8<sup>th</sup> February 2022)

The Center of Excellence for Teaching and Learning (CETL), Green University of Bangladesh initiated CETL Brightest Mind Scholarship in 2021 to acknowledge, honour, and support the hard working, self-motivated, self-directed, and visionary students of the university who dedicate themselves to voluntary services. CETL is a versatile centre providing leadership, research support, training, and quality assurance in the teaching and learning contexts including revitalising stalled initiatives. On behalf of GUB, CETL highly appreciates the exceptional services provided by this semester's two Brightest Mind Scholars during the Covid19 pandemic.

Miss Saiyara is a 7th semester student at the Department of English, GUB. She's been working voluntarily as an intern at the CETL since Fall 2020. Her contribution as a workshop series organiser and workshop facilitator has helped over a thousand undergraduate students to make the best of online learning facilities during the pandemic. She was part of the venue management team in the International Conference on Innovation and Transformation for Development, ITD '21, where she presented a research paper. She was also a recipient of CETL Ashar Alo Scholarship in 2021 due to her remarkable academic and extracurricular performance.

Mr. Jobayer is a 9th semester student at the Department of Law. He voluntarily works as an intern at the Center for Career Development (CCD), GUB. Various seminars and workshops for Staff Development, Employability of GUB Graduates, have been successfully organised by him, including a virtual job fair. Moreover, he is the General Secretary of Green University Debating Club (GUDC), that helped the debaters of the university to continue co-curricular activities and represent the institution on national and international platforms. He was also part of the event management team both in ITD'21 and STI Expo 21.

CETL wishes enormous success to both the awardees in their academic life and beyond.

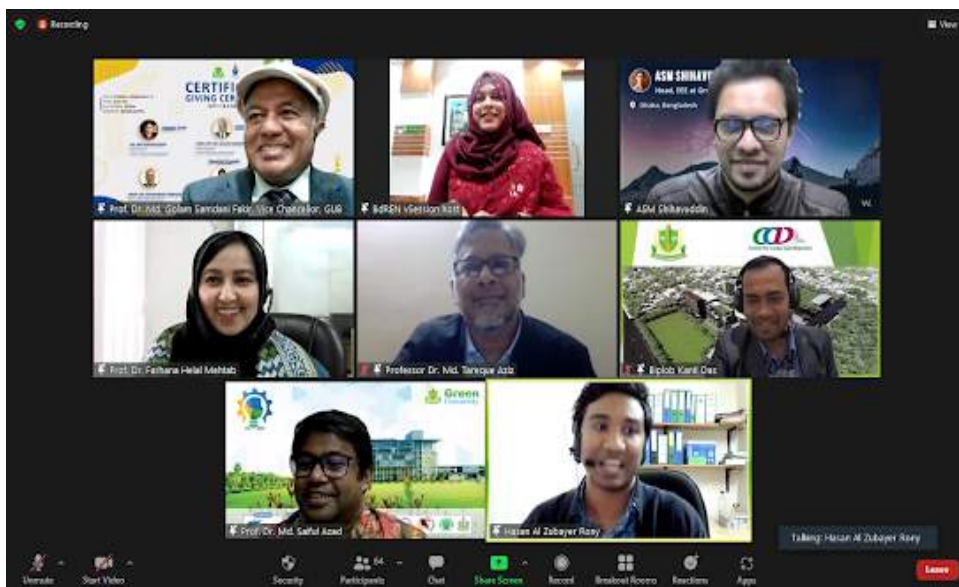

#### 4. Certificate Giving Ceremony of GIFT 7th & 8th batch (11<sup>th</sup> February 2022)

On the 11th of February (Friday), 2022, Team CETL successfully organised the Certificate Giving Ceremony for the 7th and 8th batch of the prestigious “Green-university Initiatives for Future Transformers” program. Known shortly as “GIFT”, this unique program was

launched back in 2014 by CETL-GUB with the intention to prepare future leaders of the society by helping them become complete human beings, more academically competent and socially responsive citizens.

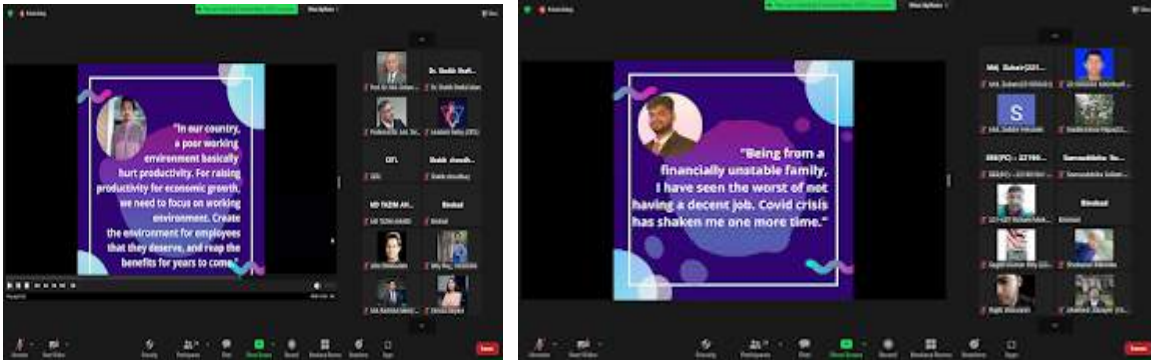

To award the certificates of completion to the passing out GIFT students, the chief guest of this ceremony was none other than Prof. Dr. Md. Golam Samdani Fakir, Honorable Vice Chancellor, Green University of Bangladesh. The guest of honour was Prof. Dr. Md. Abdur Razzaque, Honorable Advisor of Green University of Bangladesh. We had Prof. Dr. Mohammed Tareque Aziz, Dean, Green Business School, Prof. Dr. Md. Safiul Azad, Dean, Faculty of Science and Engineering. And Prof. Dr. Farhana Helal Mehtab, Dean, Faculty of Law, Arts and social science, as special guests. Dr. ASM Shihavuddin, the Honorable Director of CETL and Chairperson, Department of EEE, was present as the session chair.

A total of twenty-one GIFT graduates, and eight of them with Honours, received their project completion certificate on this event from the Honorable Vice-Chancellor. The virtual session was hosted by a current GIFT student Ms Ayesha Akter, CETL Intern and student at the Department of English, GUB. One of the GIFT 7th batch graduates, Mr. Hafiz Sikder, intern at CETL and student of department of EEE, GUB introduced the GIFT program and shared his own experience of this program with the guests.

Following the introduction, the Honorable session chair, Dr. ASM Shihavuddin made his speech and all the GIFT graduates from both the 7th and 8th batch were called upon and awarded with their virtual certificates. Then Honorable Deans of the three faculties of Green University shared their valuable thoughts with the rest of the audience. After that, it was time for a speech from the Honorable Advisor of GUB, Prof. Dr. Md. Abdur Razzaque, who ornamented the event with his wisest words and blessings to the passing out students.

Following the Advisor's speech, the Honorable Vice-Chancellor, Prof. Dr. Md. Golam Samdani Fakir graced everyone present on the occasion with his distinguished personality and gave unique insights, as ever, into how the GIFT program came to life in its early days.

Finally, Ms. Arifa Rahman, Coordinator of GIFT 7th and 8th batch gave the vote of thanks to the organizer, host and the Honorable guests of the session and wrapped it up. Due to the difficult circumstances surrounding the coronavirus spread, this ceremony was held online via the ZOOM meeting platform.

## 5. CETL Farewell Party for Interns (28<sup>th</sup> February 2022)

The Center of Excellence for Teaching and Learning (CETL) is pleased to share one of the special gatherings on February 25<sup>th</sup>, 2022. The face-to-face meet up was held at Metro Escape, Dhaka to develop a provision that raises the quality of team attainment and involvement following the Farewell party thrown for the senior interns.

Throwing an internship completion shower to the senior interns Muhammad Hafiz Sikder, Halima Meem, Imran Uddin Emon, Mohammad Shahjalal, Meghna Hasan, and Sanzida Akter was the most difficult task for every member of CETL because of an end of a chapter leaving a lot of memories created by them over the months. However, CETL wishes them a great success and the honourable internship supervisors believe that CETL internship awardees' future endeavours will bring prestige and pride to the institution.

Dr. ASM Shihavuddin, Honourable Director, Center of Excellence for Teaching and Learning

(CETL), Green University of Bangladesh, chaired a meeting that focused on reflecting on the contribution done by the passing out Interns over the course of their internship program.

Asst. Prof. Arifa Rahman, Asst. Prof. Hasan Al Zubayer Rony, Mr. Ariful Islam, Officer of Green University Centers, and other members of CETL were present there.

## 6. GUB Creative Cafe Inauguration Event (10<sup>th</sup> March 2022)

Creative Cafe is a hangout space for Green University students as well as Faculty Members to share a cup of coffee, chat, bounce around creative ideas and have a good time overall. On Thursday, March 10th, 2022, Creative Cafe's permanent campus wing was inaugurated and we tried to capture some of the moments from the occasion. Dr. Muhammad Aminur Rahman, Associate Prof. & Campus Director, Permanent Campus, Green University of Bangladesh raised the curtains of "Creative Cafe" GUB, an initiative by CETL.

On Thursday, the 10th of March, 2022, the eagerly anticipated Creative Cafe GUB was inaugurated by its founding members and CETL team at the city campus. Associate Prof. Dr. ASM Shihavuddin, the pioneer of Creative Cafe joined us to unveil this hangout space that sees the students as well as the faculty members share creative thoughts over a cup of coffee. CETL Lead Facilitators, Asst. Prof. Hasan Al Zubayer Rony and Asst. Prof. Ms. Arifa Rahman also joined us at the session.
